Dear Ms. Kiser and Mr. Sukys:

With this letter, I am forwarding the following amendment, which makes technical adjustments to the California's 2002/03-2004/05 Federal Statewide Transportation Improvement Program (FSTIP). This amendment does not adversely affect air quality, timely implementation of Transportation Control Measures (TCMs), or financial constraint and does not result in major scope changes.

Administrative
Amendment No.

Since administrative amendments do not require Federal Highway Administration and/or Federal Transit Administration approval, this FTIP amendment has been amended into FSTIP. This project is included and submitted by KCAG through the California Transportation Improvement Program System (CTIPS).

Please address any questions on this amendment to Abhijit Bagde of my staff at (916) 654-3638.

Sincerely,

A handwritten signature in black ink, appearing to read "Kris Balaji".
